

Remarks:

1. Claims 3, 8~13, 17~18, and 20 have been canceled in this amendment to overcome the rejection by the prior arts as cited.
2. Original Claims 4 and 5 contain "allowable" subject matters. Since original Claim 4 is dependent upon original Claim 2 (which is depending on Claim 1), and original Claim 5 is dependent upon original Claim 4, the features in original Claims 1, 2, 4 and 5 are now combined to form the amended Claim 1 in this amendment, by canceling the original Claims 2, 4 and 5.
3. Original Claim 16 contains "allowable" matters, but Claim 16 is dependent upon original Claim 15, which is, in turn, dependent upon original Claim 14. So, the features of original Claims 14, 15 and 16 are now combined to form the amended Claim 14 in this amendment, by canceling the original Claims 15 and 16.
4. Original allowable Claim 19 is dependent upon original Claim 15. However, original Claim 15 is now combined to Claim 14 to be the amended Claim 14 so that the currently amended Claim 19 is amended to be dependent upon the amended Claim 14.
5. After this amendment, this application is thought to be acceptable and allowable. The prior arts as cited are also avoided. Accordingly, this application has now been placed in condition of allowance. An early Notice to this effect is respectfully requested.

Respectfully submitted
